Sri M. R. PATIL.—What steps have the Government taken to see that the minimum length of 50 miles of Dharwar District is reached under Rural communications scheme ?

†Sri KONDAJJI BASAPPA.—In previous years the money provided was a little more. This year particularly it has been comparatively reduced under this head and so it is rather difficult even to complete the programme on hand.

Sri SIDDAIAH KASHIMATH.—Supplementary to (*b*) : What is the reason for the difference between the provisions for these two places ?

Sri KONDAJJI BASAPPA.—Because works that are incomplete have to be completed and so a little more money has been provided.

Sri M. R. PATIL.— Is it the stand of Government that the taluks in Dharwar District where the rural communication roads are less than 50 miles in length will not be taken up to reach the limit ?

Sri KONDAJJI BASAPPA.—Not so.

Sri M. R. PATIL.—Why is it that an amount sufficient to cover only 20 miles has been provided to the P.W.D. Engineer in the district where as a minimum length of 500 miles would be required to complete the 3 0 miles limit per taluk? What steps will Government take to expedite taking up greater length of roads ?

Sri VEERENDRA PATIL.—The programme under rural communination is that 50 miles length of road per taluk should be taken. This is a five year programme and a different programme altogether. As will be seen from the figures supplied here our Engineers have already tackled certain milege and they are completing it. Last year we had spent about more than Rs. 2 crores, but this year the provision is less, but we are trying our best to see that more provision is made under reappropriation.

Sri C. S. HULKOTI.—What will be the amount required to complete the length of roads that are tackled ?

Sri VEERENDRA PATIL.—The length of roads tackled in the State is 13,500 and odd miles and we have already spent Rs. 4,20 lakhs and we may require another Rs. 7 crores to complete them.

Sri C. S. HULKOTI.—What is the length of road in Dharwar District ?

Sri KONDAJJI BASAPPA.—Notice.
